

Name: Gus      Reg #: Grade  
Color: Grey      Sex: Gelding  
Foaled: 2017  
Height: 14.3 hands      Weight: 1100 lbs.  
Owner: Jack Wipplinger

Gus – I really like Gus's solid, dark grey color. You can't find that a lot anymore. Got him from a girl who rode him everywhere, in the arena and in the hills. Gus handles right and gentle. Gus has been started heeling steers. He's been used to doctor and tie down cattle in the pasture and drug calves to the branding fire. I sure like the versatility and athletic ability Gus possesses.
